

EviCore Radiation Oncology Guidelines

Summary of Changes

V2.0.2025 - Effective 07/16/2025

- Prior Authorization Requirements: Replaced "recent (within 60 days)" consultation with "relevant".
- Removed information related to legislative mandates.
- Added a health equity statement.
- Abbreviations were added for cobalt gray equivalent, Hodgkin lymphoma, local control, non-Hodgkin lymphoma, and relative biological effectiveness.
